

## **INSURANCE INFORMATION**

Although we do not expect it to happen, we must be prepared for an illness or an accident. Be assured that every precaution necessary is being taken to ensure your health and safety. Psalm 91: 11 says, "*He will give His angels special charge over you, to accompany and defend and preserve you in all your ways of obedience and service.*"

It is a **requirement** that each person have their own health insurance. If you do have insurance, be sure to check with your agent to see if you are covered outside of the U.S. on a missions trip.

There are many different companies that sell travel insurance. I use Travel Guard. [www.travelguard.com](http://www.travelguard.com). When you get on their site, click Travel Insurance on the top line. Click on All Products and click on compare plans. On that page you will find several options. I usually use the Pack' N Go package.

**Please check one of the boxes below and return signed completed form with application packet.**
